HELLO ECHOCKOTEE LODGE!!

I'm sure we are all full and exhausted from last fellowship leaving camp with most of our voice gone, but what's important now is Summer Fellowship and what's to come with it! There's a lot of things that you can do! If you're at the door then you should walk in, we have plenty of trainings available and even more things for you to do! If you haven't already and you're able to sign up for Brotherhood training, you should! Maybe you're interested in a committee, go on and get involved! With that I look forward to what'll happen this Summer Fellowship and the amount of people who'll be leaving without a voice from chanting their hearts out and the new Ordeal Members joining and people sealing their membership with Brotherhood!

GOOD DAY ECHOCKOTEE!!!

Nothing makes me happier than knowing there is a fellowship right around the corner. I have been pleased to see how many people are keeping in touch with our lodge social media!

It has also been a huge joy to work on this Feather and get the formatting nice and spiffy. Make sure to invite all of your fellow brothers to fellowship, so we can all enjoy a massive weekend of Renaissance fun!!!

Hello Echockotee!

Wekiwa has had tons of fun this year. Our April chapter meeting was filled with new Ordeal Members, which was great to see. This fellowship we are looking forward to win Sonic with an amazing theme. We had so much fun at Section Conference through the activities and competitions. Our chapter is performing better than ever! I'm excited to bring in even more Ordeal Members and continue to grow our chapter.
